### THIRD SUNDAY OF LENT

#### The Wonder of Family.....

Personal well-being and family stability are constantly challenged as we go through life. These challenges are amplified during periods of economic instability when job losses and financial stress can lead to low self-esteem, family breakdown, poverty, addictions and violence.

ShareLife's network of Catholic Family Services offices collectively served more than 110,000 people in 2008 through a myriad of services and programs, working wonders to ensure that no one has to face a crisis alone.
